

## **Rain Barrel Workshop**

Rain barrels are a convenient and efficient way to collect rainwater. They provide a free source of water for irrigating your landscape and potted plants, and help reduce the storm water runoff from your yard! To learn more about Rain Barrels and to make your own Barrel, come to this informative workshop.

**When:**            **June 26, 2005**  
                         **5:30pm - 7:00pm**

**Where:**           **Okeechobee County Extension Service**  
                         **423 Highway 98 North, Okeechobee**

**Why:**             **Save Money and the Environment**

This is a hands-on program and every participant can take home the rain barrel he or she creates during the class!

Space is limited and pre-registration is required. Call 863-763-6465 to sign up. The cost for materials is \$25.00 and includes a rain barrel and conversion kit.
